

CASA – Advocates for Kids

Community members play a vital role in maintaining our local CASA – Advocates for Kids program. Your support by sponsoring an individual light (\$25.00) to place in your business or home window during the month of April can help make a difference in the lives of the children we serve. Funds raised, with your support, will aid in recruiting and training new CASA volunteers. Thank you for your support!!

___ Sure I will sponsor a light! (\$25.00)

___ Wait! I have more than one window so I will sponsor ___ lights!
