All proceeds benefit the local CASA -Advocates for Kids program in their advocacy work on behalf of neglected and abused children in Lewis & Clark, Broadwater, and Meagher counties. CASA (Court Appointed Special Advocates) volunteers are currently advocating for more than 100 local children who have been abused or neglected. Often CASA volunteers are the only constant in these children's lives, keeping their best interests at the forefront of a case, ensuring they are not "lost" in the child welfare system.
